Today after our IFMA/GCN Certificate Session, I learned of the tragic death last Friday of one of our participants, Ken Tarczewski, Director of Facilities & Grounds at past IFMA Partner Frazer Center. GCN was notified that Ken was killed when his motorcycle was struck by a car in Columbus. Details in this article: <http://www.ledger-enquirer.com/2014/09/19/3310441/coroner-motorcyclist-killed-while.html>

On behalf of IFMA Atlanta, I posted this message on the funeral home obituary page: *Our sincere condolences to Ken's wife Lynn and his family and friends. Ken was participating in IFMA's Facility Management Certificate Program at Georgia Center for Nonprofits and had made many new friends. We missed him in class today and are very saddened to learn of this heartbreaking tragedy.*
